Mission Statement

The National Christian College Athletic Association (NCCAA) is an association of Christ-centered collegiate institutions whose mission is to use athletic competition as an integral component of education, evangelism and encouragement.

We serve our members by setting association compliance standards, developing communication resources, providing regional/national championship competitions, and partnering in outreach to our communities and the world.

We are committed to equipping student-athletes and coaches to make a positive impact for Christ.

Academics • Athletics • Outreach

The NCCAA was founded in 1966 and incorporated in 1968 to promote intercollegiate athletic competition with a Christian perspective. Today, more than 13,000 student-athletes and 700 coaches participate annually in 22 national championships as well as several invitational tournaments, in both men's and women's sports. The NCCAA also promotes international and intercultural competitions that emphasize ministry and outreach to those who may never have heard the gospel of Jesus Christ.

The Christ-centered member colleges and universities of the NCCAA are recognized by businesses worldwide for providing a quality education and spiritual enrichment on a daily basis. These institutions are committed to creating an environment that emphasizes biblical and spiritual principles as part of the teaching and learning process. The NCCAA expects academic excellence and encourages discipleship training for our student-athletes and coaches through development programs, materials and conferences on key issues.

The NCCAA believes one of our greatest opportunities for outreach is on the field of competition where ability and attitudes are tested. We believe a sport is much more than just a game. Sports provide a unique opportunity to both serve and worship the Lord Jesus Christ, whether in wins or in losses. Athletes will not always win on the playing field, but they can be winners in the most important game: leading a Christian life.

All eligibility cases and appeals shall be received in writing and reviewed by the National Eligibility Committee, which is chaired by the Director of Member Relations. **Only** contact the National Eligibility Chair **after** thoroughly reading the Eligibility Section of the NCCAA Handbook and having contacted the respective Regional Chair or Regional Eligibility Chair in regard to the question or concern. The Athletics Director at the respective institution shall be the liaison on matters pertaining to eligibility.

Eligibility Information

*All Eligibility Forms and Certificates of Clearance are to be received by the Regional Chair **before** the first athletic contest (including scrimmages) in each sport.*

All Division I member institutions should pay particular attention to the Eligibility Section of the Official Handbook. A Division I first-time entering freshman student must meet two of the three entry level requirements.

1. A score of 18 on the enhanced ACT or 860 on the SAT;
2. An overall high school grade-point-average of 2.00 on a 4.00 scale;
3. Graduate in the upper half of the student's high school graduating class. (For further details on the preceding, refer to the Division I Handbook.)

All NCCAA member institutions are reminded of the Eligibility Process (refer to the Official Handbook):

1. Eligibility forms should be sent to your Regional Chair. Institutions may use the NCCAA Official Eligibility Certificate or the Dually Affiliated National Eligibility Declaration Form for NAIA or NCAA members. Eligibility Forms and Certificates of Clearance are to be mailed **prior** to the first contest and/or scrimmage in that particular sport.
2. Please check for errors (refer to your NCCAA Official Handbook).
3. When an institution contacts a Regional Chair with a concern or problem, the Regional Chair shall adhere to the following guidelines:
 - A. Refer to the NCCAA Official Handbook.
 - B. Ensure that each institution works through the Regional Chair.
 - C. Request that the institution send **all** information (letters, transcripts, etc.) to the Regional Chair.
 - D. Forward **all** problems and paperwork to the National Eligibility Chair as necessary.
4. The National Eligibility Chair shall poll the National Eligibility Committee regarding a decision and report back to the respective Regional Chair.
5. Cases of extreme complexity may be dealt with by the Board of Directors after referral by the National Eligibility Chair.
6. Report all violations. Please do not assume someone else will communicate eligibility concerns.
7. The NCCAA National Office may give clarifications over the telephone, but **no official rulings shall be made over the telephone until all paperwork is received by the National Eligibility Chair.**
8. The eligibility status of each institution shall be reported to the National Office and subsequently published in the *NCCAA Pursuit*.
