
NATIONAL CHRISTIAN COLLEGE ATHLETIC ASSOCIATION

Eligibility

Division I

Eligibility Division I

Acknowledgment

The National Christian College Athletic Association (NCCAA) expresses its appreciation and acknowledgment to the National Association of Intercollegiate Athletics (NAIA) for the use of the eligibility, casebook, and frequency of contest information in this handbook. An attempt has been made to substitute NCCAA for NAIA and to align Regional and Eligibility Chairs in accordance with NCCAA procedures. Dually affiliated institutions with NAIA or NCAA are certified as meeting eligibility standards of the NCCAA by meeting the eligibility requirements of their dual association.

BEGINNING WITH THE 2006-07 ACADEMIC YEAR, ALL NCAA/NAIA DUALY AFFILIATED MEMBERS MUST SUBMIT ONLY THE DUALY AFFILIATED ELIGIBILITY FORM TO BE IN COMPLIANCE. THIS FORM MUST BE POSTMARKED ON OR BEFORE THE DATE OF THE FIRST CONTEST (SCRIMMAGE OR REGULAR SEASON CONTEST).

SECTION A. APPLICATION OF ELIGIBILITY RULES

Institutional membership within either or both programs (men's and/or women's) or institutional membership on a sport by sport basis within a program charges each institution with the responsibility of knowing, administering, and enforcing the eligibility standards adopted by the members of the Association in respect to the institution's intercollegiate sports affiliated within the NCCAA.

The eligibility rules which follow apply to all students representing their institution in any manner (scrimmages, intercollegiate, etc.) against competitors not directly identified with the institution in any sport recognized by the NCCAA.

See CASEBOOK for additional information

Any student identified with a two- or four-year college or university who then becomes identified at an NCCAA institution shall also be subject to the following regulations, which were submitted and approved by the member institutions.

SECTION B. DEFINITIONS

Eligibility Case; Eligibility Certification; End of a Term; Enrollment; Entering Freshman; Good Standing; Identification; Institutional Credit Hours; Intercollegiate Contest; Non-Term; Normal Progress; Participation; Postseason Competition; Residency; Scrimmage; Season of Competition; Terms of Attendance; Transfer; Twenty-one Day Rule

1. Eligibility Case: An actual or possible violation of an NCCAA rule or regulation as reported by the institution to the Eligibility Chair and/or the National Office or notification to the institution by the Eligibility Chair or National Office.
2. Eligibility Certification: Completion of the NCCAA Official Eligibility Certificate, NCCAA Certificate of Clearance, Transfer Player Eligibility Statement (when applicable), and the Eligibility Certificate For Entering Freshmen (when applicable) for all students prior to allowing those students to represent the institution in any manner during a term.

(Section B)

3. End of a Term: Date listed in the institutional catalog as the last day of a term. If no such date is given, the end of the term shall be the last day of the final exam period for that term.
4. Enrollment: Completion of institution's enrollment forms or cards (payment of fees is not considered by the NCCAA as a definition of enrollment).
5. Entering Freshman: A student who upon becoming identified with an NCCAA institution has not been previously identified with any institution(s) of higher learning for any two semesters or three quarters (or equivalent).
6. Exhibition: A competition against competitors not identified with the institution when:
 - a. the competition does not meet the definition of a scrimmage pursuant to Section B, item 15 of the NCCAA Eligibility Section.
 - b. the competition is noted as an Exhibition on the institutional schedule.
 - c. the competition is against a Non-NCCAA opponent.

An institution is allowed one exhibition competition per season in each sport listed in the Frequency of Play Section. The competition must meet the definition of an exhibition under Section B, item 6 of the NCCAA Eligibility Section. The exhibition competition will count as one varsity game, contest or playing date within the limits stated in the Frequency of Play Section.

If the competition meets this definition then it shall not be included in individual and team statistics, won/loss records, and coaching records. The competition shall count against NCCAA limitations. An NCCAA institution will be limited to one Exhibition per season. A student will be charged a season of competition for participating in an exhibition contest.

7. Good Standing: Maintenance of NCCAA eligibility standards as well as the general institutional requirements for all students in order to represent the institution in any extra-curricular activity.
8. Identification: Representing an institution in an intercollegiate contest or enrolling in twelve (12) or more institutional credit hours with a minimum of nine (9) institutional credit hours at the NCCAA member institution in any given term (excluding summer session) and attending any regularly scheduled class.

See CASEBOOK for additional information

NOTE: Participation in an intercollegiate contest in the fall before school starts identifies the student with the institution and charges the student with a season of competition and a term of attendance, even if the student decides to transfer or leave school before classes start. The student, however, shall not have the term applied in determining the 9/24/36 institutional credit hour rule in that attendance at a regularly scheduled class did not take place. The second season progress rule (Section C, item 9) shall, however, apply for participation in the same sport.

See CASEBOOK for additional information

-
9. Institutional Credit Hour: Any credit hour which counts toward an institutionally-approved degree or any credit hour which is required by the institution for the student being certified.

Institutional credit hours shall be accepted for eligibility certification purposes only after the instructor submits the completed course grade in the normal manner to the institutional registrar for posting on the transcript.

See CASEBOOK for additional information

10. Intercollegiate Contest: Any athletics competition in a sport recognized by the NCCAA and sponsored by the institution as an intercollegiate sport against competitors not identified with the institution. Alumni contests are considered as competition within the institution and not recognized as intercollegiate.

See CASEBOOK for additional information

11. Non-Term: Enrollment in fewer than nine (9) institutional credit hours at a single institution during a given term, or any summer session or interterm.

See CASEBOOK for additional information

12. Normal Progress: The accumulation of academic credit at a rate so as to meet the minimum standards listed in Section C, item 9 of the NCCAA Eligibility Section.

13. Participation: Competing in an intercollegiate contest as defined by Section B, Item 9 of the NCCAA Eligibility Section.

(Sections B, C)

14. Postseason Competition: Conference, region, or independent qualifying events.

15. Residency: Identification with an institution for 16 calendar weeks (112 calendar days) during the regular school year (summer session not included).

See CASEBOOK for additional information

16. Scrimmage: A competition against competitors not identified with the institution when:
- The competition is not listed or is noted as a scrimmage on the institutional schedule;
 - No scores or statistics are reported by either institution;
 - No admission is charged.

Scrimmages shall not be allowed in the following intercollegiate sports: cross country, golf, indoor track and field, swimming and diving, tennis, track and field, and wrestling.

Students must be certified as eligible prior to participating in a scrimmage. Seasons of competition will not be charged to students who participate only in scrimmages. Transfer students shall be governed by the association under which they competed.

See CASEBOOK for additional information

17. Season of Competition: Participation in one or more intercollegiate contests whether in a varsity, junior varsity, or freshman program. Seasons of Competition for a transfer student will be determined under the rules of the association from which the student transfers.

See CASEBOOK for additional information

18. Term of Attendance: A term of attendance is any quarter, semester or trimester (excluding summer sessions) in which the student becomes identified at a single institution.

See CASEBOOK for additional information

The word "term" as used throughout the Eligibility Section refers to quarter, semester, or trimester, whichever applies as the official unit of class attendance at any college or university.

If a student identified with an institution officially totally withdraws from that institution within 21 calendar days following the official opening date of classes as stated in the institutional catalog and returns and again becomes identified with the same institution (without becoming identified at another institution), the student shall not be charged with a term of attendance for the term in which the student withdrew.

19. **Transfer:** A student who becomes identified with an NCCAA institution after having previously been identified with a two- or four-year institution of higher learning. Transfer students must complete the official NCCAA Transfer Player Eligibility Statement prior to their first participation at the NCCAA institution no matter how long ago the transfer occurred.

Once the student has completed the transfer form and has been in attendance for one term, the student is no longer considered a transfer student at the institution.

20. **Varsity:** An intercollegiate team at a four year college or university or upper level, two-year institution in the United States or Canada that awards a bachelor's (baccalaureate) degree or its equivalent. Institution is in good standing with an intercollegiate sports national governing body. Good Standing: the institution is considered full or provisional member; team members are certified eligible in accordance with eligibility requirements; schedule consists of two-thirds, at minimum, of its competition against other varsity teams; all qualified participants receive the institution's official varsity awards.

SECTION C. ELIGIBILITY REQUIREMENTS

For a student to be eligible for any NCCAA-recognized intercollegiate competition, a member institution must ensure that the student conforms to the following regulations.

1. An entering freshman student must be a graduate of an accredited high school or be accepted as a regular student in good standing as defined by the enrolling institution.

(Section C)

2. An entering freshman student must meet two of the three entry level requirements:
a. A minimum score of 18 on the Enhanced ACT or 860 on the SAT (for tests taken on or after April 1, 1995).

See CASEBOOK for additional information

- b. An overall high school grade point average of 2.000 or higher on a 4.000 scale;

See CASEBOOK for additional information

- c. Graduate in the upper half of the student's high school graduating class.

See CASEBOOK for additional information

EXCEPTION: For GED, home-schooled and international students, see **CASEBOOK**.

In order to meet the requirement of Section C, item 2, paragraph a above, an entering freshman must achieve a score of 18 or higher on the Enhanced ACT or a score of 860 or higher on the SAT. The test score must be achieved at a single test sitting administered by a certified tester on a National or International testing date to apply to this requirement. The ACT/SAT must be taken prior to the beginning of the term in which the student initially participates.

Students not meeting at least two of the three standards shall be denied athletics participation at a member institution for the first full year of attendance (2 semesters, 3 quarters, or equivalent) that such a student is identified with any institution(s).

See CASEBOOK for additional information

-
3. The student must be identified and enrolled in a minimum of 12 institutional credit hours at the time of participation, or, if the participation takes place between terms, the student must have been identified with the institution the term immediately before the date of participation.

EXCEPTION to the 12 credit hour enrollment rule:

A student who will complete requirements for graduation within 10 semesters, 15 quarters, 12 trimesters or less may retain eligibility during the last term of attendance of the senior year by enrolling in fewer than 12 institutional credit hours. Official verification must be provided by the registrar that the student has completed all other academic requirements for graduation except for the currently enrolled credits. Such verification must be provided to the Eligibility Chair. It is understood as a condition of the use of this exception to the 12 hour enrollment rule that the intercollegiate eligibility of the student using the exception shall be terminated automatically at the end of the term, or term extended, in which less than 12 credits are carried.

See CASEBOOK for additional information

4. The student must maintain institutional identification during any term of participation. For exceptions see Section D, items 3 and 4.

See CASEBOOK for additional information

5. The student must have accumulated a minimum of nine (9) institutional credit hours prior to identification for the second term of attendance.

Only those institutional credit hours earned after identification at any institution may be applied toward meeting the nine (9) institutional credit hour rule for a second term freshman.

(Section C)

See CASEBOOK for additional information

6. After completion of the second semester term or third quarter term of attendance and from then on, a student must have accumulated a minimum of 24 institutional credit hours in the two immediately previous terms of attendance in a semester system or 36 institutional credit hours in the three immediately previous terms of attendance in a quarter system.

A student transferring from a quarter system to a semester system must have accumulated 24 institutional credit hours in the previous two terms of attendance after the first term of attendance at the new institution.

A student in a quarter system must have accumulated 24 institutional credit hours in the previous two quarter terms of attendance if completion of three quarter terms of attendance has not occurred. Upon completion of three quarter terms of attendance the student must have accumulated 36 institutional credit hours.

No more than 12 institutional credit hours earned during summers and/or during non-terms may be applied to meet the 24/36 institutional credit hour requirement. Such credit must be earned after one or both of the two immediately previous terms of attendance.

See CASEBOOK for additional information

All credit hours used to meet this total of 24/36 institutional credit hours are to be taken at face value and are not to be converted, even if earned at different institutions using different credit hour systems (e.g., quarter and semester).

See CASEBOOK for additional information

EXCEPTION: See Section B, item 7, paragraph 2.

EXCEPTION: A transfer student who has met the graduation requirements for an associate degree from a junior college and who has not been identified with any institution(s) of higher learning for more than five semesters or

seven quarters will be exempt from meeting the 24/36 hour rule for the first term upon transferring to an NCCAA institution provided:

- a) the transferring student passed all hours required for graduation in the term in which graduation occurs and;
- b) less than 24/36 hours were required for graduation during the last two semesters/three quarters terms.

Students receiving this exception must pass at least 12 hours in their first term of attendance at the four-year school to retain eligibility for a second term. The last semester/ trimester/quarter at the junior college shall count as a term of attendance.

EXCEPTION: A student will be exempt from meeting the 24/36 hour rule only during the first term in which the student initially competes in any sport at the intercollegiate level, provided the student has not previously participated in any intercollegiate sport at any institution; met freshman eligibility requirements upon initial identification with any institution (applies only to students in the first four semesters/six quarters or equivalent, of attendance); and has an overall GPA of 2.00 on a 4.00 scale calculated on the basis of all transcripts from all institutions (applies to students in all terms following the fourth semester/sixth quarter, or equivalent of attendance.)

7. The student must be making normal progress toward a recognized baccalaureate degree and maintain the minimum grade point average as defined by the institution and the NCCAA (where applicable).
8. Upon reaching junior academic standing as defined by the institution, a student must have a cumulative grade point average (GPA) of at least 2.000 on a 4.000 scale. The 2.000 cumulative grade point average (GPA) or higher must be certified each grading period in which the student wishes to compete after junior academic standing is reached.

See CASEBOOK for additional information

(Section C)

9. To participate a second season in a sport, all students must have accumulated at least 24 semester/36 quarter (or equivalent) institutional credit hours. Transfer students shall use institutional credit hours as certified by the previous institution(s) to meet this requirement only for their first term of attendance at a member institution. Thereafter only institutional credit recognized by the student's current institution and submitted to the registrar for posting on the transcript shall apply.

EXCEPTION: A freshman who initially becomes identified after the first term in the fall shall meet this requirement by having passed 12 semester or 20 quarter institutional credit hours. This exception shall apply to the second season of competition regulation only.

See CASEBOOK for additional information

To participate the third season in a sport, all students must have accumulated at least 48 semester/72 quarter (or equivalent) institutional credit hours. Transfer students shall use institutional credit hours as certified by the previous institution(s) to meet this requirement only for their first term of attendance at a member institution. Thereafter only institutional credit recognized by the student's current institution and submitted to the registrar for posting on the transcript shall apply.

See CASEBOOK for additional information

To participate the fourth season in a sport, all students must have accumulated at least 72 semester/108 quarter (or equivalent) institutional credit hours, at least 48 semester/72 quarter hours of which must be in general education and/or in the student's major field of study. Transfer students shall use institutional credit hours as certified by the previous institution(s) to meet this requirement only for their first term of attendance at a member institution. Thereafter only institutional credit recognized by the student's current institution and submitted to the registrar for posting on the transcript shall apply.

See CASEBOOK for additional information

To participate in a third and/or fourth season in a sport, all students must have and maintain a total cumulative GPA of at least 2.000 on a 4.000 scale. The GPA for students with continuing identification at your institution shall be

calculated according to the official institutional policy for all students. The GPA for entering transfer students shall be calculated by dividing all quality points achieved by the total number of hours attempted for all courses listed on all official transcripts from all institutions previously attended.

See CASEBOOK for additional information

10. The student must be eligible according to the institution's standards for intercollegiate competition.
11. If a dual member with NCAA or NAIA, the student must be eligible according to affiliated conference standards.
12. Repeat courses previously passed with a grade of "D" or better in any term, during summer or during a non-term cannot count toward satisfying the 24/36 credit hour rule.

A maximum of one repeat course per term previously passed with a grade of "D" (or the equivalent) may be counted toward satisfying the 12 hour enrollment rule.

Repeat courses previously passed with a grade of "C" or better cannot be applied to meet either the 12 hour enrollment rule or the 24/36 credit hour rule.

See CASEBOOK for additional information

(Sections C, D)

13. A student who has not been identified at an institution during the preceding term does not become eligible at that institution until identification takes place the following term. EXCEPTION: For the fall term only, if athletic contests are scheduled before the opening date of classes, enrolled students may compete, if otherwise eligible, prior to the first day of class.

See CASEBOOK for additional information

14. A student who is eligible the last day of a term may retain eligibility until midnight of the 14th calendar day following the close of a term to allow an institution time to recertify eligibility. This regulation does not apply to students who complete all requirements for graduation or complete 10 semesters of attendance (or equivalent). Further, students declared ineligible by the institution or region shall lose eligibility immediately upon such declaration.

See CASEBOOK for additional information

15. A student enrolling in college after the date set by the institution for enrollment of regular full-time students will not be eligible to compete in intercollegiate athletics until two full calendar weeks of residency have been completed.

See CASEBOOK for additional information

SECTION D. RETENTION: RE-ESTABLISHMENT OF ELIGIBILITY (Also see Section E, item 2)

1. A student may participate four (4) seasons in one sport in 10 semesters, 12 trimesters, or 15 quarters of attendance if otherwise eligible. The 10 semesters need not be consecutive. During the ninth or tenth semester, or equivalent, the student may participate in any sport in which the student has not already used four seasons of participation.
2. With reference to establishing or re-establishing eligibility in the same institution: A student is eligible for athletics participation on the day following the close of a term, provided the student has been identified and in attendance during the term just ending and the registrar certifies that the academic requirements have been met for this student.

See CASEBOOK for additional information

3. A student attending a college on the trimester system may participate in spring sports if the student was identified the previous term at that institution and completed 24/36 institutional credit hours or more since the beginning of the fall term of the current school year, and is otherwise eligible although not enrolled during the third trimester.

See CASEBOOK for additional information

-
4. A student who is eligible during the regular sport season for a particular sport and who is eligible at the end of the regular sport season shall retain eligibility in that particular sport for participation in NCCAA postseason competition provided the student has been in attendance the term immediately preceding the postseason competition.
 5. A student who has completed all academic requirements for graduation from a four-year institution as defined by that institution shall no longer be eligible to compete in intercollegiate athletics. EXCEPTION: A student who has completed all academic requirements for graduation and who is enrolled in the graduate or professional school of the institution where he/she earned an undergraduate degree or who is enrolled and seeking a second baccalaureate or equivalent degree or who is enrolled in a fifth year post-baccalaureate degree teacher education program at the same institution may participate in intercollegiate athletics provided the student has athletic eligibility remaining.

The graduate must be enrolled in a full-time class load as defined by the school in lieu of 12 institutional credits at the time of participation.

(Sections D, E)

To maintain eligibility status, the student must successfully complete the full-time class load as defined by the institution.

The registrar must certify in writing to the Regional Eligibility Chair that the above conditions have been met prior to participation of the student. Students enrolled for a second major do not meet this condition for an exception.

See CASEBOOK for additional information

SECTION E. TERMINATION OF ELIGIBILITY

1. A student terminates athletic eligibility at the end of a term upon completing 10 semesters, or 12 trimesters, or 15 quarters in which the student is identified (See Section B, item 7 of the NCCAA Eligibility Section).
 - a. EXCEPTION: A female student will be granted a two-semester or three-quarter one-time extension of the ten-semester rule due to pregnancy. The request for the extension period of time will be processed as an exceptional ruling to a standard rule.
 - b. EXCEPTION: A student will be granted up to a two-semester or three-quarter one-time extension to the ten-semester rule due to a debilitating illness (i.e., cancer, chemical dependency, psychological illness) and treatment. The request for the extended period of time will be processed as an exceptional ruling to a standard rule.

See CASEBOOK for additional information

2. A student who loses eligibility at the end of a term because of graduation becomes ineligible at the end of the week (11:59 p.m., Saturday) in which the term ends.

EXCEPTION: Students who graduate at the close of the fall/winter term and who have qualified for NCCAA national competition for the immediately following spring/summer through the regional event held in the fall/winter shall not be required to have been in attendance the immediately preceding term prior to postseason competition to be eligible. The student is subject, however, to any contrary ruling, which may be made by the local institution or region.

See CASEBOOK for additional information

3. A student who loses eligibility at the end of a term other than because of graduation or completion of 10 semesters of attendance becomes ineligible no later than midnight of the 14th calendar day following the close of the term. If an institution checks eligibility prior to the 14-day deadline (Section J, item 2) and determines that a student has become ineligible, the student becomes ineligible immediately.

See CASEBOOK for additional information

4. No student shall be permitted to participate in intercollegiate athletics for more than four (4) seasons in any sport.

See CASEBOOK for additional information

-
5. Any student who has completed eligibility or who has been permanently banned in a given sport at any four-year institution, either NCCAA affiliated or other, shall have no eligibility remaining in that sport within the NCCAA. Such a student cannot regain eligibility in that sport at an NCCAA institution.

EXCEPTION: For eligibility purposes the NCCAA does not recognize the NCAA "five year rule" or age limitation regulations.

See CASEBOOK for additional information

(Section F)

SECTION F. TRANSFER REQUIREMENTS: GENERAL

1. A student previously identified with an institution of higher learning (two or four-year), who then transfers to a member college or university must complete the Official NCCAA Transfer Player Eligibility Statement, and the institution must mail this statement to the Regional Eligibility Chair prior to the student participating.
2. A student becomes identified with an institution upon enrolling in nine (9) or more institutional credit hours at a single institution in any given term and attending any regularly scheduled class (summer session not included). Anyone transferring after this time becomes a transfer student regardless of whether the student participated in intercollegiate athletics.
3. If a student identified with an institution officially withdraws from that institution within 21 calendar days following the official opening date of classes as stated in the institutional catalog and RETURNS and becomes identified with the same institution (without becoming identified at another institution), the student shall not be charged with a term of attendance for the term in which the student withdrew.

See CASEBOOK for additional information

4. If a student becomes identified at an institution and officially totally withdraws from that institution within 21 calendar days and subsequently becomes identified at an NCCAA institution after remaining out of school for at least two full consecutive semesters, two full consecutive trimesters or three full consecutive quarters following the term of withdrawal, the 16 weeks residency requirement shall be waived and the term shall not be counted in application of the 9/24/36 institutional credit hour rule. The term shall be charged as a term of attendance with respect to the 10 semester, 12 trimester, or 15 quarter limit. However, the transfer rule shall apply and the term shall be counted in application of the 9/24/36 institutional credit hour rule if the athlete participated during the 21 days.
5. If a student identified with an institution officially withdraws from that institution after attending any class during a normal school term and then transfers and becomes identified with another institution, the student shall be charged with a term of attendance (and zero hours credit) for attending any class before withdrawing.

See CASEBOOK for additional information

6. A transfer student who has been suspended (or its equivalent) from any institution of higher learning must establish residency of two full semesters, two full trimesters, or three full quarters of attendance at the NCCAA institution or until the institutional suspension period at the suspending institution has been terminated, whichever is shorter, before intercollegiate participation at an NCCAA institution shall be permitted.

See CASEBOOK for additional information

7. Attendance during a summer session or in a non-term (enrolled in fewer than nine credit hours) does not count toward satisfying the 16 weeks residence requirement.
8. Trimester System: A student transferring to an institution using the trimester system may meet the residency requirements by enrolling in any regular trimester and establishing 16 calendar weeks (112 calendar days) of residence.

-
9. A student charged with a season of competition in one sport by different institutions in the same academic year shall be charged with two seasons of competition. A student could amass two seasons of competition within one academic year.

See CASEBOOK for additional information

(Section G)

SECTION G. TRANSFER: PREVIOUS IDENTIFICATION AT A FOUR-YEAR INSTITUTION

1. A student who has participated in an intercollegiate contest at the immediately previous four-year institution and who then transfers to an NCCAA member institution shall be required to be in residence for a period of 16 calendar weeks before being eligible for the sport(s) previously participated in at the four-year institution. A student shall have the 16 calendar weeks residency requirement waived for participation in that same sport provided the student has a cumulative minimum overall GPA of 2.000 (on a 4.000 scale) from all previously attended institutions of higher learning and receives a release from the athletics director at the immediately previous four-year institution. A student who has not participated in an intercollegiate contest at the immediately previous four-year institution is not subject to the residency period in that sport.

See CASEBOOK for additional information

2. The term "16 weeks" refers to 16 consecutive calendar weeks (112 calendar days), including vacations and inter-terms (except summer terms). The 16 weeks does not refer to school weeks. This period shall be counted from opening date of classes as stated in the official college catalog or from the date on which the student enrolls, whichever is later. No part of the 16 weeks shall fall between the end of the term immediately preceding the regular summer term and/or summer vacations and the beginning of the fall term.

See CASEBOOK for additional information

3. The residency requirement shall be satisfied at the beginning of the day following the end of the 16 calendar weeks (at the beginning of the 113th calendar day) from the first day of class. Should the 16 week period be satisfied after the institution's regular season has been completed, the student has established eligibility for the following season in that sport but is not eligible for postseason athletic competition in that sport which is held during an extended period of the term just completed.

(Sections G, H, I, J)

See CASEBOOK for additional information

SECTION H. TRANSFER: PREVIOUS IDENTIFICATION AT A JUNIOR COLLEGE

A student whose immediately previous identification and participation was with a two-year institution and who transfers to an NCCAA member institution shall not be required to meet the 16 weeks residency requirement. The student shall fulfill all academic requirements of NCCAA and is entitled to only four seasons of participation in a given sport at the intercollegiate level.

SECTION I. MILITARY SERVICE EXCEPTION

1. A student whose college attendance has been interrupted or delayed by one year or more of continuous active military duty in the Canadian or United States Armed Forces shall be eligible for athletic participation immediately upon enrolling in a minimum of 12 institutional credit hours and becoming identified.

The student may retain eligibility in the succeeding term by:

- a. having earned a minimum of 24/36 institutional credit hours the two immediately previous terms of attendance,

OR

- b. satisfying the requirements for a second term student by having completed nine (9) institutional credit hours the immediately previous term of attendance.

See CASEBOOK for additional information

2. The duration of the application of the Military Service Exception shall be limited to the first two full semesters or three quarters following release from active duty. Thereafter, the student is not entitled to any provisions of the Military Service Exception rule, and all regulations shall apply.

SECTION J. SUBMISSION OF NCCAA OFFICIAL ELIGIBILITY CERTIFICATES

1. It shall be the responsibility of the faculty athletics representative of each member institution to check the eligibility of each student prior to allowing the student to represent the institution in any manner (scrimmages, intercollegiate contests) against competitors not directly identified with the institution in any sport recognized by the NCCAA.

An NCCAA Official Eligibility Certificate signed by the registrar, athletics director, coach, and faculty athletics representative of the institution is to be postmarked to the appropriate Regional Eligibility Chair prior to participation. Reports become delinquent on the date following the first contest.

See CASEBOOK for additional information

2. Institutions which sponsor sports that carry over from one term to another (basketball, swimming and diving, wrestling, etc.) must certify that students participating in these sports are eligible for all terms in which the competition takes place. A statement signed by the registrar, athletics director, and faculty athletics representative noting that the students have been re-evaluated and are eligible may be submitted in lieu of the official eligibility certificate to the Eligibility Chair within 14 days after the close of the term or prior to the first competition after the close of a term, whichever is later.

(Sections J, K)

In any case, institutions must recertify [submit an updated certificate] students by February 1 for second semester carryover sports or by April 8 for third quarter carryover sports, as appropriate. Should the 14-day extension period be later than February 1/April 8 due to the attachment of the interterm to the first term, the later date is acceptable for filing.

See CASEBOOK for additional information

SECTION K. PROCESSING OF ELIGIBILITY CASES

1. Eligibility cases are defined as cases where an actual or possible violation of an NCCAA rule or regulation has taken place.
2. Should the Regional Eligibility Chair, after reviewing all information, determine that a violation has not occurred, the case will be closed at that time.
3. Eligibility cases, which are initiated by an institution, must be submitted by the faculty athletics representative and the athletics director at that institution to the Regional Eligibility Chair.

When apparent violations come to the attention of the Regional Eligibility Chair, the Regional Eligibility Chair shall notify in writing the faculty athletics representative, the athletics director, and the chief executive officer of the institution before processing the case.

4. The Regional Eligibility Chair shall inform the Regional Chair of each new eligibility case being investigated upon receipt of the case.
5. Upon receipt of an actual or apparent violation, the Regional Eligibility Chair shall obtain the following information and send it to the National Eligibility Chair and the chief executive officer of the institution being investigated:
 - a. All pertinent data on the case (type of violation, date, place, etc.).

-
- b. An up-to-date transcript of the student(s) involved.
 - c. A written statement signed by the institution's athletics director and faculty athletics representative concerning the case and corrective steps to be taken by the institution.
 - d. Statement from the student(s) involved, if possible.
6. A recommendation from the regional eligibility chair as to the disposition of the case shall be submitted to the Eligibility Chair on behalf of the region who will notify the chief executive officer of the institution.
 7. The chief executive officer, after reviewing the case and the regional recommendation or regional action, may within seven days of receipt send a response to the National Eligibility Chair which will be included in the material sent to the National Eligibility Committee.
 8. Any member institution which permits the use of a student who is ineligible according to NCCAA rules and standards in either program in which it holds membership shall thereby automatically:
 - a. Forfeit all contests in which the ineligible student participated or the institutional violation occurred. Letters of notification and forfeiture of contests won shall be sent to the athletics director of the offended institution with copies of the letter to the appropriate Regional Eligibility Chair and the National Eligibility Chair;
 - b. Charge the ineligible student with a season of competition for participating while ineligible;
 - c. Charge the student with a second season of competition in that sport if the ineligible student re-establishes eligibility within the same season the student was declared ineligible and participates after re-establishing eligibility;
 - d. Cause a review of the case by the appropriate committees of this association. The ineligible student may be assessed additional penalties up to being declared ineligible for further intercollegiate competition for withholding information or supplying false or incomplete information;
 - e. Supply to the Eligibility Chair and, if applicable, the conference commissioner/president a complete statement concerning the ineligible participation, including a listing of the ineligible student's college work (transcript preferred), a statement of institutional action to correct the situation which led to the violation, and a statement from the student(s) if possible;
 - f. Be suspended from participation in all postseason events sponsored by NAIA in that program until all required information is submitted; and NOTE: Upon receipt of all required information, the Eligibility Chair shall release the suspension of participation in all postseason competition with the exception of the sport involved in that program. The sport in which the violation occurred shall remain suspended from participating in NAIA events until the case is finalized by the appropriate committee of the association, which will notify the institution involved.
 - g. Have the case reviewed by the appropriate committees of this association. The institution may be subject to additional penalties.

See CASEBOOK for additional information

9. Institutions are encouraged to contact their Regional Eligibility Chair for clarification of an existing regulation. The Regional Eligibility Chair may give interpretations of existing regulations but may not give a ruling on a specific individual. When the Regional Eligibility Chair deems it necessary, the request will be forwarded to the National Eligibility Chair, who may forward it to the National Eligibility Committee for clarification.

(Sections K, L, M)

10. Regions may not make final determinations relative to cases where a violation has occurred. All eligibility cases must be processed through the NCCAA National Eligibility Committee.

11. Conference action taken by an affiliated conference whose requirements are more stringent than those of the NCCAA will be supported by the NCCAA. Should a member be found to be in violation of an association rule, the case will be processed to include a recommendation from the region.

In cases where NCCAA members belong to a non-affiliated conference, the National Eligibility Committee shall rule whether such conference action against a member institution shall be respected and supported.

See CASEBOOK for additional information

SECTION L. PROCESSING REQUESTS FOR AN EXCEPTIONAL RULING TO A STANDARD RULE

In exceptional cases, where extenuating circumstances exist, an institution may request an exceptional ruling to a standard rule. Such a request may be made before or after participation of the student(s) involved. If applicable, such student(s) shall be withheld from further competition until the case is closed.

Exceptional cases are to be processed as follows:

1. The request for an exceptional ruling must be submitted to the Regional Eligibility Chair by the faculty athletics representative and the athletics director of the institution requesting the ruling. The request must include all pertinent information concerning the request. Transcripts, the standard rule in question, and the reasons why an exceptional ruling should be granted must be included.
2. The Regional Eligibility Chair shall see that the request for an exceptional ruling is forwarded to the National Eligibility Chair along with the eligibility committee's recommendation. The Regional Chair or Institutional President shall also receive a copy of the request and the eligibility committee's recommendation.
3. The institution requesting the exceptional ruling shall secure a recommendation from the region (where applicable). The region recommendation shall be sent to the National Eligibility Chair.
4. The institutional request and all documentation shall be sent to the National Eligibility Chair for a ruling. The ruling shall apply only to the specific case and will not establish a precedent.

SECTION M. HARDSHIP REQUESTS

1. A hardship request is a request for an exception to the season of competition regulation. Hardships deal only with seasons of competition.

See CASEBOOK for additional information

2. All hardship requests must meet the following criteria.
 - a. They must involve an injury or illness which is beyond the control of the student or coach and which incapacitates the student from competing further during the sport season in question as verified by the attending physician (M.D. or D.O.) who must have examined the student during the sport season in question.

(Section M)

- b. The student involved shall not have participated in more contests or dates, excluding scrimmages, in the affected sport during the sports season than those listed for the sport:

| | | | |
|-----------------|------------|---------------------------|---------|
| Baseball | 8 contests | Softball | 3 dates |
| Basketball | 5 contests | * Tennis | 3 dates |
| * Cross Country | 2 meets | * Track & Field - Indoor | 1 meet |
| Football | 2 contests | * Track & Field - Outdoor | 2 meets |
| * Golf | 2 contests | Volleyball | 4 dates |
| Soccer | 3 contests | | |

[* Scrimmages are not allowed in these sports.]

Hardships cannot be requested for students who are incapacitated in the last regular season contest or postseason competition.

See CASEBOOK for additional information

- c. All applicable information must appear on the completed certificate. This certificate, along with a transcript from all previous institutions that the student has attended, is to be sent to the National Eligibility Chair for processing.

See CASEBOOK for additional information

- d. Participation by a student after being examined by a physician for the incapacitating injury or illness, and before receiving written medical clearance, shall nullify hardship considerations.

See CASEBOOK for additional information

3. The hardship request must be submitted by the faculty athletics representative or athletics director of the institution requesting the exception. Before a request or appeal can be considered, the following material must be submitted:
 - a. A current transcript of the student involved.
 - b. A completed official NCCAA Hardship Request Certificate.
4. Regional recommendations, if any, shall be considered, but only the decision of the National Eligibility Committee shall be recognized by the NCCAA in hardship cases.

NCCAA Official Eligibility Certificate Guidelines

(to be completed by non-dually affiliated members only)

Be sure all requested information at the top of the form is complete and accurate.

1. List student-athlete's name and social security number. List students in groups by previous seasons of competition.
2. If the student is transferring from another institution, write a "YES" in space. An NCCAA transfer form must be completed for this student and submitted to the Regional Chair along with the eligibility certificate before participation is allowed. The transfer form and notation of the student being a transfer is to be completed and noted only once so long as the student remains at your institution.
3. List the total terms the student has attended any post-secondary institution (as defined by COPA) and include the current term. Please note the type of term your institution is using (semester, quarter, trimester) at the top part of the certificate. The NCCAA does compute terms into the type of term used by your institution. Terms are to be converted as follows: 1 semester equals 1 1/2 quarters or 1 1/6 trimesters; 1 quarter equals 2/3 semester; 1 trimester equals 5/6 semester. Students are allowed 10 semesters, 12 trimesters or 15 quarters to complete eligibility. A student must have one half or more terms remaining, after computing, to be eligible the final term. Example: 10 1/2 semesters, including the current term, the student can compete that term. 10 2/3 semesters, including the current term, the student is not eligible for that term.
- 4a. State "Yes" or "No" as to whether the student is classified as a junior or above academically by your institution.
- 4b. If the answer to 4a is "Yes", list the student's total cumulative grade point average. Transfer students shall have the GPA computed on all transcripts from previous institutions that the student has attended. Students whose last identification (not including summer) was with your institution shall have the GPA used by your institution placed here. Remember, summer or non-terms do not identify a student.
5. These hours must be hours accepted by your institution as institutional credit, or courses required by your institution and recognized as institutional credit on your transcript. Non-credit courses, although required by your institution, cannot be recorded in this column.
6. For transfers, use the credit hours listed on the transcript. For students whose immediate previous identification was with your institution, use the definition as stated in 5 above and list those hours the student passed (D or better) during the student's last term of attendance (9 or more institutional or required credit hours of enrollment).
7. Apply criteria listed in 6 above.
8. No more than 12 summer and/or non-term institutional credit hours can be used for this column. A non-term is defined as a term in which the student initially enrolls for less than 9 institutional and/or required credit hours at an institution. These hours must come after one of the two terms defined in column 6 or 7. Summer or non-term hours cannot be used if earned prior to the term before last (column 7).
9. List the previous seasons of competition in this sport at all institutions.
10. Place an "X" in the box for students first identified with your institution the fall of 1989 or later. Students who were identified with your institution prior to the fall of 1989, transferred to another institution and have since returned must also be noted. Complete columns 11, 12 and 13 for all students with an "X" in the box.
11. Students competing in the 3rd or 4th season in a sport must have a cumulative GPA of 2.00 or better each term to be eligible. Transfer students shall have the GPA apply for the institution(s) previously attended. Students identified with your institution after one complete term shall apply the GPA as recorded on the student's transcript by your institution.
12. Students must have accumulated at least 48 semester/72 quarter institutional credit hours in general education and/or the student's major field of study to be eligible to compete the fourth season in a sport. Students competing in the second season in a sport must have accumulated at least 24 semester/36 quarter institutional credit hours. To compete the third season in a sport, a student must have accumulated at least 48 semester/72 quarter institutional credit hours. To compete the fourth season in a sport, a student must have accumulated at least 72 semester/108 quarter institutional credit hours.
13. If the student participates in a cooperative program with another institution, list the co-op institution and state, and list the number of hours the student is taking at that institution.

I hereby certify that only students listed above are allowed to represent our institution in any manner in the sport listed.

Athletics Director: _____ Date: _____ Coach: _____ Date: _____

I hereby certify that columns 3, 4a, 4b, 5, 6, 7, 8, 10, 11, 12, and 13 are complete and correct according to official records. The students listed are making normal progress toward a recognized degree and are maintaining the grade point required to remain in good standing at our institution.

Registrar: _____ Date: _____

I hereby certify that I have checked this certificate prior to student participation and that the above students are eligible under NCCAA rules.

Faculty Athletics Representative: _____ Date: _____

THIS FORM MUST BE POSTMARKED TO YOUR REGIONAL CHAIR PRIOR TO ALLOWING ANY STUDENT TO REPRESENT YOUR INSTITUTION.

Eligibility I 62

NCCAA Eligibility Certificate for Entering Freshmen Guidelines

An entering freshman student must meet two of the three entry level requirements.

1. Print name in full and social security number. Include all athletes who meet the definition of an entering freshman.
 - A. A score of 18 or higher on Enhanced ACT, OR a score of 860 or higher on the SAT taken after April 1, 1995. The test score must be achieved at a single test sitting administered by a certified tester on a national or international testing date to apply to this requirement. Residual tests are not acceptable. The ACT/SAT must be taken prior to the beginning of the term in which the student initially participates.
 - B. A minimum overall high school grade point average of 2.00 on a 4.00 scale.
 - C. Graduation in the upper half of the student's high school graduating class. This is interpreted to mean the class ranking listed on the student's final high school transcript. High schools that do not rank students may elect to certify that the student has met this requirement.

Those students not meeting at least two of the three standards shall be denied athletic participation at a member institution the first full year (two semesters, three quarters) the student is identified with an institution of higher learning.

An entering freshman is defined as a student who, upon first becoming identified with an NCCAA institution, has not previously been identified for two full semesters or three full quarters (or equivalent) at any institution(s) of higher learning (two- or four-year institution).

General Education Diploma:

GED students must meet ACT or SAT requirement. GED certificate shall apply in lieu of high school GPA.

International Students:

The same criteria listed above are to be used. However, if the foreign high school transcript is such that the grade point average cannot be determined and the class ranking is not available, the foreign student can be ruled eligible by meeting the specific institution's admission criteria for foreign students and by meeting the following NCCAA criteria:

1. A score of 18 or higher on the Enhanced ACT OR 860 or higher on the SAT taken after April 1, 1995

AND

2. Meet the requirements listed in the most current *Guide to International Academic Standards for Eligibility (GIAS)*.

NCCAA Transfer Player Eligibility Statement

This form should be completed by the TRANSFER STUDENT, assisted by the Faculty Athletics Representative, only once at any NCCAA institution. All students who have previously been identified with an institution of higher learning must complete this form prior to participation. Each blank must be completed; if no answer is appropriate, write "None" in the blank.

Name of Student _____
Last First Middle Social Security #
 Institution _____ State _____ Sport _____ Male__ Female __

Did you enroll after the beginning of classes in the present semester? (enrollment in six or more hours and attendance of first class constitutes enrollment) ____ Yes ____ No

If "Yes", give date _____. Date of first enrollment in this institution _____
Month/Year Month/Year

Excluding summer sessions, have you been in continuous attendance at this school since your first enrollment here? ____ Yes ____ No. If "No", give dates of your absence: _____

Dates of military service _____ to _____
Month/Year Month/Year

Seasons of previous competition in this sport _____; this college _____; others _____

Credit hours earned last term _____; last two terms _____

Credit hours now enrolled in _____

Graduate of _____ High School, _____
City, State Month/Year

Excluding this college, I have enrolled in the following institutions since high school graduation:

| Name of Institution | Type of Institution (2-Year or 4-Year) | City and State | From Month/Year to Month/Year | Number and Type of Terms |
|---------------------|---|----------------|----------------------------------|-----------------------------|
| | | | | |
| | | | | |
| | | | | |

Below is a complete list of my participation in all college sports:

| Sport | Seasons of Competition – List 1, 2, 3, or 4 (Representing an institution in any manner constitutes a season of competition) | Name of Institution, City, State | Years You Attended each School (Month/Year to Month/Year) |
|-------|---|----------------------------------|---|
| | | | |
| | | | |
| | | | |
| | | | |

To the best of my knowledge, this is a complete and accurate report of my participation in college athletics. I have read the "NCCAA Eligibility Regulations" and I believe I am eligible under NCCAA rules. I understand withholding information or providing false information, particularly concerning previous institutional identification and/or participation, will rule me ineligible for participation within the NCCAA and will cause my institution to forfeit all contests in which I have played.

Transfer Player Eligibility Statement – Page 2
This page to be completed by the Faculty Athletics Representative

Name of Student _____ Filing Institution _____ State _____

I verify that I have confirmed, or have been informed by my Athletics Director who has confirmed, the following:
(initial appropriate sections):

- The student did not participate in the sport of _____ at the immediately previous four-year institution and therefore the residency regulation does not apply for that sport.
- The student transferred from a junior college and has not previously been identified with a four-year institution. The residency rule shall not apply.

If any period of time is missing between high school graduation and enrollment at your institution, the student must account for the missing time.

EXCEPTIONS TO THE RESIDENCY REGULATION (SECTION G OF NCCAA ELIGIBILITY)

- The student is a junior college transfer (having previously participated in intercollegiate athletics at a four-year institution) who has graduated from the junior college with a two-year degree as specified on the junior college transcript. The student was identified at the junior college for at least one full term (excluding summer school) immediately preceding graduation.
- The student participated in the sport of _____ at the immediately previous four-year institution. However, the student has not competed in that sport (while remaining identified at the immediately previous four-year institution) for a minimum of one calendar year prior to transferring. This information has been confirmed (either orally or in writing) by the Athletics Director at the immediately previous four-year institution.
- The student participated in the sport of _____ at the immediately previous four-year institution. However, the student has a minimum overall grade point average of 2.00 on a 4.00 scale, and we have received (either orally or in writing) a release for the student from the Athletics Director at the immediately previous four-year institution. If the student attended more than one institution, our Registrar re-computed the GPA from all courses taken.
- The student participated in intercollegiate athletics at the immediately previous four-year institution, but has not attended any institution of higher learning (has remained completely out of school) for at least two full consecutive semesters, two full consecutive trimesters, or three full consecutive quarters following the last term of attendance.
- The student does not qualify for an exception to the residency regulation. The opening date of classes for this student at our institution is _____. The student will satisfy the 16 calendar week residency on _____, which is the day following the 16 week period.

I have examined the student's academic records and, based on that material, all information provided on this form is accurate.

NCCAA Official Hardship Request Certificate

A hardship request is a request for an exception to the Season of Competition Regulation (SECTION M of NCCAA Eligibility). Hardship cases deal only with seasons of competition. For requests not dealing with seasons of competition, see SECTION L of NCCAA Eligibility, "Processing Requests for an Exceptional Ruling to a Standard Rule."

All hardship requests must be referred to the National Eligibility Chair as set forth in SECTION M, ITEM 2.c. of NCCAA Eligibility. A current transcript of the student-athlete must be submitted with the request.

Name of Student-Athlete _____ Sport in Question _____

Submitting Institution _____ Address _____

List the number of contests or dates (as applicable) in which the student competed during the season of competition in question. Include the contest in which the injury occurred, if applicable. _____

Date of injury or illness that incapacitated the student. _____

List all dates and all opponents (institutions) that the student competed against for the year in question. Scrimmages are not counted against the maximum allowable contests for hardships, but should be listed and noted as scrimmages.

| Date(s) | Opponent(s) | Date(s) | Opponent(s) |
|---------|-------------|---------|-------------|
| _____ | _____ | _____ | _____ |
| _____ | _____ | _____ | _____ |
| _____ | _____ | _____ | _____ |

List all seasons of competition, including current season, of the sport in question (Example: 2003-2004)

I hereby certify that the above information is complete and accurate:

 Athletics Director or Faculty Athletics Representative Position Date

 Coach

The completed form is to be sent to the National Eligibility Chair.

To be completed in full by the attending physician (must be an M.D. or D.O.)

Please initial appropriate blanks. Do not use check marks.

1. Was the athlete under medical care prior to the injury or illness that initiated this hardship? ___Yes ___No
 If yes, was the athlete medically released for participation prior to the injury/illness in question? ___Yes ___No
2. Was the injury/illness of such a nature to incapacitate the student from competing during the remainder of the sport season in question? ___Yes ___No
3. On what date did you examine the athlete after the injury or illness AND recommend no further competition for the remainder of the season? _____
4. When, in your judgment, will the athlete be medically fit to return to competitive athletics? _____
