The National Golf Championship, and all events related thereto, are under the control and supervision of the NCCAA Golf Coaches and are subject to standards developed by these respective coaches and subsequent approval by the NCCAA Board of Directors. These standards shall receive annual review and approval by the National Golf Committee at the National Coaches' Meeting in conjunction with the National Golf Championship. The National Golf Committee shall be appointed and approved annually at the National Golf Championship for the following year. This committee shall have the responsibility to administer the National Golf Championship.

I. SELECTION OF TEAMS

2. Any member in good standing posting a best four of five score of 30 over par, or averaging 40 over par for the fall or spring schedule, shall be eligible to send a team to the National Golf Championship. Any member in good standing may send individuals who average 79.9 or less for the fall or spring season if its team does not qualify. An institution may not send more than six participants.
3. When field limitations require team selection process, the following criteria shall be used:
 - a. Team scoring average for fall (to date) and previous spring.
 - b. Strength of schedule and courses competed on.
 - c. Number of teams from candidate's NCCAA region already selected.
 - d. Past performances in NCCAA National Golf Championships.
 - e. Current NAIA/NCAA National rankings (where applicable).

Teams are eligible based on the lowest team average in a 24 team limited field. A minimum of six spots shall be reserved for Division II teams. The deadline for the teams to be determined shall be 21 days prior to the start of the National Championship. A limit of three individuals with no participating team may enter the championship.

D. Advertising

The host sponsor of a Regional or National Championship shall not accept advertising or promote in any way the marketing or use of alcoholic beverages, tobacco or illegal drugs in connection with the NCCAA Golf Program.

E. Meetings

A meeting of the coaches of the competing teams, host coach and members of the National Golf Committee shall be held prior to the National Championship to review playing rules, interpretations and any other administrative matters that may be necessary. Also, discussion and vote(s) shall take place on any guideline changes the golf coaches wish to recommend to the NCCAA Board of Directors at the NCCAA Annual Convention.

F. Awards (see Awards Section)

- The NCCAA maintains a standardized awards program for all National Championships.
