Teams are limited to a total of three non-qualifying entries per team. These entries may be used in any event (except relays, see Item E above), even if a qualifying student-athlete is also in that event.
- H. Both the men's and women's NCCAA Track and Field Championships shall be conducted under the NCAA Track and Field rules, except as modified by this document and other NCCAA guidelines.
- I. The annual track and field coaches' meeting shall be held at a time determined by the Tournament Host and National Track and Field Chair.
- J. The decathlon and heptathlon entries shall be treated like all other national events, where a coach can use a right-of-membership entry for these events without a person having established a performance mark. However, if the field is more than 16 athletes, any "no mark" athlete shall be deleted from the decathlon and heptathlon competition.
