VI. FINANCIAL CONSIDERATIONS

A. Regional Championships

1. Institutions serving as hosts to regional playoff games must charge a minimum admission (\$2.00/adults, \$1.00/students). A financial report of any and all playoff games must be submitted by the host institution within ten days after the completion of said playoffs. The financial report is to be sent to the NCCAA National Soccer Chair, with a copy to be sent to the Director of Member Relations. Any institution failing to file a financial report shall be subject to review by the NCCAA Board of Directors.
2. Any institution serving as host for regional game(s) must send \$100 site fee per date to the National Soccer Chair. This \$100 fee may be taken from the gate receipts of the regional games. By hosting a regional playoff game(s), the host institution guarantees a gate of \$100. (Example, if an institution hosts a playoff game and the gate is only \$80, then the host institution must still provide the remaining \$20 so the \$100 site fee can be paid. If an institution hosts a playoff game and the gate is \$175, \$100 of that amount is used to pay the site fee and the remaining \$75 is to go to the regional winner to be used toward travel expenses for nationals.)

However, no institution shall be required to send more than \$200 should they host three or more regional dates. Any combination of hosting two dates shall necessitate that institution sending \$200 to the National Soccer Chair. This host site fee is to be mailed, or given, to the National Soccer Chair the week following the Regional Championship.

B. National Championship

1. As proceeds are realized from any part of the national playoff structure, these funds shall be used for pro-rated disbursement for travel expenses of competing teams. All proceeds realized from any part of the championship are under the direct control and administration of the soccer coaches association to be used to meet expenses of regional and national play.
2. Any institution serving as host for the National Championship must send \$100 site fee per date to the National Soccer Chair. This \$100 cannot be taken from the gate receipts of the championship games. No institution shall be required to send more than \$300 should they host four or more dates. No institution shall be required to send this host fee if this is the third National Championship hosted during the current school year. This host site fee shall be given to the National Soccer Chair at the National Championship.
3. Each team shall be responsible for its travel, room and board expenses for the National Championship.

Appendix E, Continued DIVISION II SOCCER LONGO POINTS SYSTEM

SPECIAL REMINDERS AND RECOMMENDATIONS

1. Neutral sites utilize the "away" column for points. Please note that a neutral site is defined as a location where both schools share responsibility as hosts and agree it is a neutral site or where both teams play away at a tournament.
2. Percentage/rating should be based on all regular-season games played through the Saturday prior to NCCAA Regional playoffs. The top 25 rankings (NAIA and NCAA) from the week that includes the Saturday counting deadline would be the ranking of record for determining if opponents were Top 25.
3. In selecting and seeding teams for all post-season competition, teams within 25 rating points of each other shall switch places if they met during the regular season, and the lower-rated team won the game. Teams move only one place at a time, and movement is applied from bottom to top. This will be reapplied as many times as necessary until no further changes in position take place.
4. A forfeit win must not weaken a Longo rating, but may strengthen it. A forfeit loss must not strengthen a rating, but may weaken it by including the result in the appropriate team's schedule (record) and giving it a zero value in the calculation process. (If in the calculation of Longo rating, inclusion of a forfeit win results in a lower rating, then the contest is not included in the calculation. The forfeit is included in the team's record).
5. Ties count half-win, half-loss when figuring winning percentages.
6. If a team is a dual NAIA/NCCAA member, the appropriate NAIA column **MUST** be used. If a team is a member of the USCAA, ACCA or non-affiliated, then NCCAA II column **MUST** be used. CIAU programs will be calculated using the NCAA III Top 25/NCAA II column. Satellite/Regional campuses shall be counted as NCCAA II unless otherwise specifically denoted on their website or via written verification by the Athletics Director. Contests against junior college, club or other non-varsity programs cannot be counted for Longo purposes. **Be sure to remove such contests from all schedules when determining winning percentages.**
7. For the purpose of seeding the National Championship, regular season matches played after the Saturday deadline for Regional longo summary, will be allowed to be added and the latest Top 25 rankings will be used to determine if opponents are Top 25 programs. No postseason contests (NCCAA, NAIA, NCAA, ACCA, or non-affiliated conference) may be counted in any NCCAA teams Longo summary at any time. Such contests shall have no bearing on the Longo ratings used to seed any NCCAA Regional or National Championship competition.
8. If an opponent has not played a minimum of eight (8) regular-season contests, then contests against that opponent cannot be counted in calculation of Longo rating. Contests played by opponents against junior college, club or other non-varsity programs cannot be counted in the eight (8) match minimum.
