

The Ministry

Above, the NCCAA held a year-long food drive and collected 7 tons of food for pantries and shelters across the country. Student-athletes also served in nursing homes, public schools and children's homes, held free clinics and prayer walks, and performed many other acts of service in communities nationwide.

Since 1968, the NCCAA has provided ministry and outreach to thousands of young men and women through intercollegiate athletic competition with a Christian perspective. Through Christian Service Projects (CSPs), athletics are used as a tool to impact the development of our young people into the leaders of tomorrow.

As America's only Christian intercollegiate athletic association, the NCCAA annually serves approximately 100 Christian colleges and universities, sponsoring 22 national championships. It also sponsors missions endeavors throughout the world, sharing the witness of Jesus Christ through athletics.

Through its character program, *Game Plan 4 LIFE (GP4L)*, the NCCAA provides a new, Christ-centered method of training young adults to serve as Christ served.

Mission Statement

The NCCAA is an association of Christ-centered collegiate institutions whose mission is to use athletic competition as an integral component of education, evangelism and encouragement.

We serve our members by setting association standards, developing communication resources, providing regional/national competition and partnering in outreach to our communities and the world.

We are committed to equipping student-athletes and coaches to make a positive impact for Christ.

The Course

Nestled in the majestic Blue Ridge Mountains in the quaint community of Mill Spring, North Carolina, Bright's Creek Golf Club, a Tom Fazio design, looks as if the mountains grew up around the course. The layout takes maximum advantage of its splendid surroundings as it winds its way through the valley between mountain ranges and along its namesake, Bright's Creek.
